The background is a solid dark green color. It features two large, wavy, textured bands that resemble stylized leaves or flowing fabric. These bands are a slightly lighter shade of green and have fine, parallel lines running across them. One band starts at the top left and curves towards the right, while the other starts at the bottom left and curves towards the right, creating a sense of movement and depth.

A PLACE WITH A VIEW

NEW CAPITAL

The background is a solid dark green color. Overlaid on this are two large, stylized leaf-like shapes. One shape is in the upper right corner, and the other is in the lower left corner. Both shapes are composed of many thin, parallel, wavy lines that create a sense of movement and depth. The lines are a slightly lighter shade of green than the background, giving them a three-dimensional appearance.
